I/my family now makes a financial and time commitment to travel with the Gresham Band to California **(June 17-21, 2019)**.

I understand that I/my family is responsible for making payments to the school/travel agent on time. If payments are not made on time cost may increase.

I understand that the trip will cost approximately \$960.00 and this cost may go slightly higher or lower.

I understand that I/my guardian will be contracting with Jeanne Berg and my family will be responsible to pay fees to the travel agent according to this contract.

I understand that Mr. Budge will make efforts to keep the cost as low as possible without sacrificing safety or quality. Mr. Budge and the band boosters may also choose to shorten this trip by one day if savings will be significant.

I understand the Band Boosters will be running some group fundraisers.

I understand if I want to receive funds from these fundraisers I must participate in them.

I understand if I have need of extra financial assistance (more than an equal cut), I needed to talk to Mr. Budge by October 30<sup>th</sup> in order to receive any extra assistance. If I need a great deal of assistance (\$350 or more) I must have sent him an email by Monday, October 22nd, 2018.

I understand that while I am traveling with the band I will be subject to all school policies and if I break rules I will be subject to being sent home early. All costs associated with my departure will be paid by my family.

I understand that it is the goal of the program to allow everyone who has earned the privilege to travel to do so at least once during their time at GHS, regardless of financial need.

By signing below, I (student) **and my family** commit to me traveling with the band on this trip, and I agree to the above criteria.

Circle **CHAPERONE**, if you (parent) would like to be considered as a chaperone for the trip. Chaperone costs will be slightly, but not considerably lower than musician costs.
