

Musician Behavior and Expectations Contract

DUE: Wednesday, March 11, 2019

I, _____, am embarking on a wonderful opportunity. I understand that only a small percentage of people will ever get to experience what I get to experience as a member of a traveling band. With this great opportunity also comes great responsibility. I understand that my actions may have a profound impact on the opportunities of future Gresham Gopher Band members. I will be responsible and act appropriately at all times while traveling. This includes the time from the moment I arrive at the airport until I am picked up at the conclusion of the trip. I understand that I am subject to all school policies and rules while I am traveling. I will live up to the following expectations. Failure to do so will result in me being subject to expulsion from the trip. I will be sent home at the earliest possible time. My parents/guardians will be charged for any expenses related to my early departure. No refunds will be given.

General Travel:

1. Gresham High School is proud of its music department. It is my first job to make sure that this does not change. Not only am I representing Gresham High School, but also students throughout Oregon. I understand that exceptional personal conduct is imperative.
2. I must meet the bus/group on schedule at all times so that others will not be kept waiting. I will not leave the group at rest and lunch stops.
3. I will check in with my chaperone at the designated times, in the appropriate fashion. By doing this I allow all of my fellow travelers the opportunity to have more freedom during our trip.
4. To help insure safety, I will always travel in **groups of 4** or more. **I will invite others** to be a part of my group, so that no one is alone.
5. Under no circumstances will I go with anyone not from our group. I will not be allowed to leave the group to go with relatives or friends. Any exceptions to this **MUST** be personally pre-arranged with Mr. Budge. Written permission must be given to Mr. Budge before the trip. **NO EXCEPTIONS.**
6. I will not bring, acquire or use any illicit materials while on the trip. This includes (but is not limited to) alcohol, tobacco, or any type of drug other than any prescribed to me by my doctor.

At The Hotel:

7. I will not go into any room designated for another gender.
8. I will be respectful of the other guests at the motel/hotel.
9. I will be quiet in the hallways and in my room at the motel/hotel. This is especially important after 9:00pm. I will use Disneyland or the pool area (with adult supervision) for any slightly louder social activities.
10. I will be in my room at room check. I understand that a chaperone must see me in my room. After room check, I will not leave my room until morning. The only exception to this situation is if I or another person in my room is ill. If this is the case I will find the appropriate chaperone (their phone number will be on my lanyard) and inform them that I need help. Leaving my room after room check without permission is grounds for being sent home.
11. I understand that my room must be kept orderly and will be inspected for cleanliness at each room check and I will only be allowed to check out of my room when my chaperone approves.

At The Parks:

12. I will follow all rules and regulations and be respectful of all other guests. I will be on time (early) for all group check in times.
